Thermoplastic Sheets for Construction, Industry, Advertising and Agriculture

Manufacturer Declaration

Pages: 1

DATE: February 21.09.2022
ATT:
FROM: Shlomi Yehodai
CC:
SUB: Recycling Palram polycarbonate products

To whom it may concern,

We hereby declare that all of PALRAM polycarbonate products are RECYCLABLE.

The recycling of the products can be performed at any stage of the product lifetime.

This can be done by grinding the sheets and converting the granules into another plastic product, usually by extrusion process.
